Re: Freedom of Information Act Request

To Whom It May Concern:

Pursuant to the regulations established under the Freedom of Information Act, 5 U.S.C. § 552, et seq., WSP USA Corp. respectfully requests the opportunity to review copies of any files with the respect to the former Walter Reed Army Medical Center (WRAMC) at the following location:

- 6900 Georgia Avenue NW, Washington, District of Columbia

We are specifically interested in files pertaining to Building 54, formerly occupied by the Armed Forces Institute of Pathology, Building, 52, and building 53, all located in the WRAMC parcel.

In particular, we are interested in files issued and maintained by your department that are related to the following:

- groundwater wells or septic systems
- storm water permits and related correspondence
- air permits and related correspondence
- air pollution incidents
- air sampling results
- radon
- polychlorinated biphenyls
- solid and hazardous waste
- complaints or incident reports
- water sampling results
- releases of hazardous materials or petroleum products
- environmental violations and corrective actions
- aboveground and underground storage tanks
- site investigation or remediation activities

If there are other departments or sub-departments within your agency that may be able to provide the requested documents, please provide the name of the agency and the individual to whom the requests may be directed, together with their address and telephone number.

Please contact me at 703.709.6500 or laura.barsauskas@wspgroup.com if there are any files available for review. We understand that search and reproduction fees established pursuant to 40 CFR § 2.120, may apply. Thank you in advance for your assistance.

Sincerely yours,
